Welcome!

Thank you for registering for the 2021 COVID Edition of the Grizzly Mtn Ride held at the Miller Ranch in beautiful Central Oregon!

The Miller Ranch is located in Jefferson County, Oregon. We will be following the guidelines set forth by Jefferson County and Oregon's governor. Because the Grizzly Mtn Ride qualifies as an "Outdoor Event", we are limited to 150 people at our venue, provided outdoor social distancing rules can be followed. We will have a Steward at this ride. One of the Steward's jobs will be to make sure our Covid Guidelines are being followed. This is for the safety of all our riders, crews, volunteers and veterinarians.

Included in this Rider Packet is the following:

- ❖ Grizzly Mtn Ride Information and Rules.
- ❖ A sheet with the loops, loop colors, hold times, and start times for all distances.
- ❖ TOPO maps for all loops.
- ❖ The Covid Guidelines that AERC has developed for their sanctioned rides.
- ❖ A Covid Waiver that must be signed and turned in to ride management. (Please print and sign.)
 - o If you are unable to print and sign ahead of time, there will be copies available when you enter the ride camp.

In order to receive our sanctioning and insurance by AERC, we had to develop a Covid Plan that followed their guidelines. The suggested guidelines are included in this packet. Please read the guidelines and be prepared to follow them as closely as possible.
